Certification process
consists of initial and
regular assessment of:

- quality system
- product

Water hammer arrestors

PRODUCT SPECIFICATION

The products mentioned below belong to this technical approval-with-product certificate

Flexofit-S

Fitness for contact with drinking water

This product is approved on the basis of the requirements for hygienic aspects set in the "Regeling materialen en chemicaliën drink- en warm tapwatervoorziening" ("Materials and chemicals in the supply of drinking water and warm tap water Regulation" dated 01-07-2017; published in the Government Gazette).

These hygienic aspects are based on two main criteria. The product shall permanently comply with:

- The product recipe approved during the assessment procedure. This recipe is not to be changed without prior approval by Kiwa according to the Kiwa approval procedure for the hygienic aspects;
- Specific product requirements for the hygienic aspects.

The recipe and specific product requirements are laid down in the for confidentiality reasons undisclosed 'appendix hygienic aspects' to this certificate.

MARKING

The Kiwa®-mark products are marked with the word mark "KIWA 

Place of the mark: on the water hammer arrestor or identification plate.

Compulsory specifications:

Name or logo of the manufacturer: on the water hammer arrestor or identification plate.

Method of marking:

- Non-erasable;
- visible after assembly.

APPLICATION AND USE

The water hammer arrestors are designed to damp down pressure peaks in water pipes as part of drinking water installations. The water hammer arrestors are designed with a maximum working pressure of 1MPa and a maximum water temperature of 30°C.

RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- Flamco B.V.
- and, if necessary,
- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
